數位化 智慧產品

Backup camera application

As an added safety tool for revealing hidden dangers, the RVS (rearview video system) shows - either in the dashboard or in a small display in the rearview mirror - an image of the area behind the vehicle.

SOP: Dec 2016 in Ningbo

ACC emblem/cover application

ACC (adaptive cruise control) emblem/cover, normally installed in front of the radar, is designed to prevent radar from exposure to physical and chemical damages.

SOP: July 2017 in Jiaxing
